

LEARNING TOGETHER

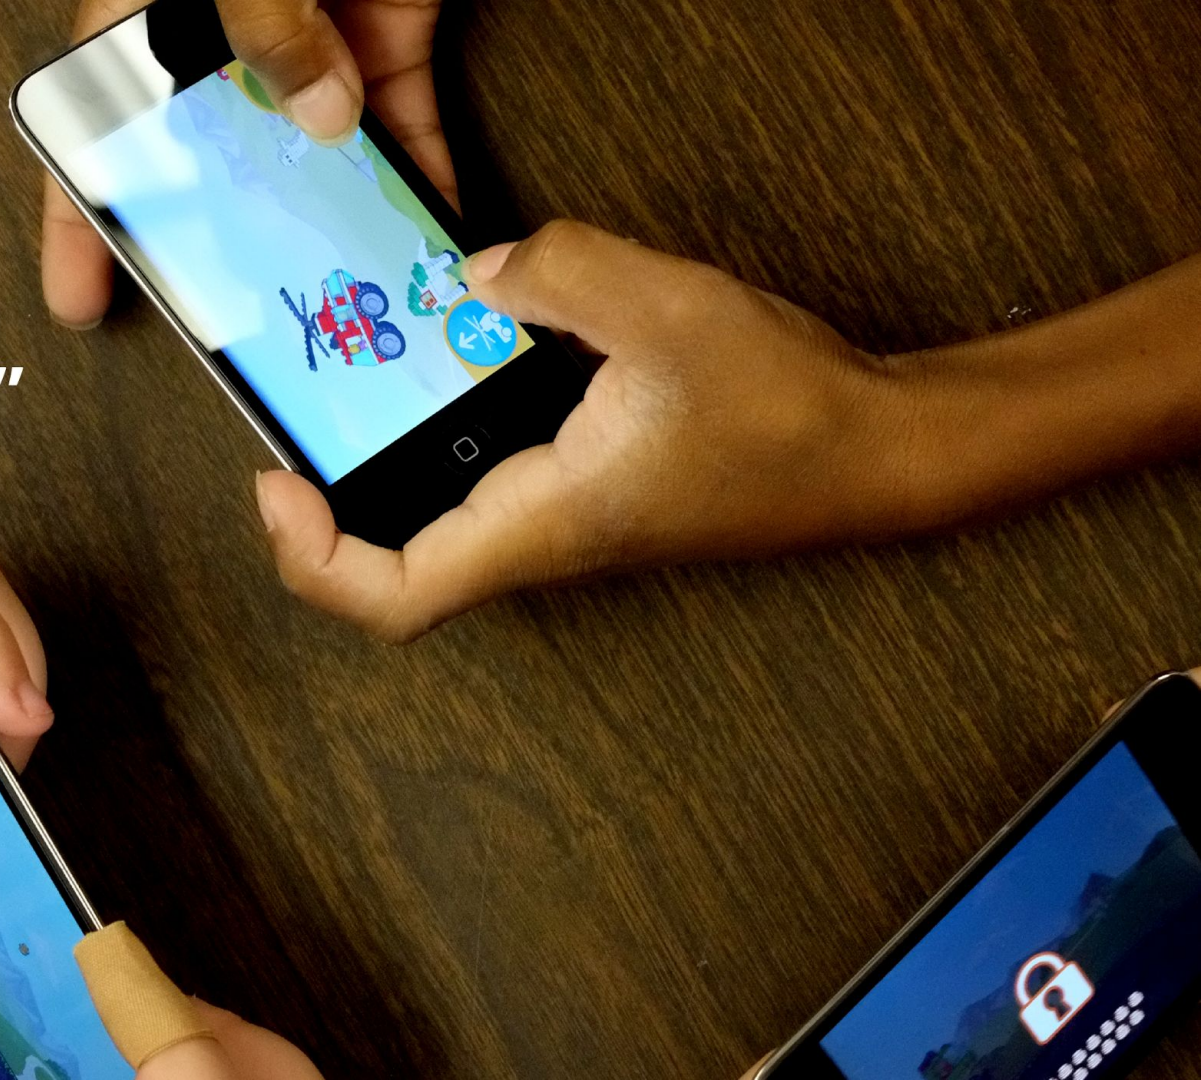

L I S T E N
M E M O R I Z E
T E S T
R E P E A T

A photograph of three students in a library or computer lab. A young woman with glasses is sitting at a table, looking at a laptop. Two young men are standing behind her, looking at the screen. The image has a purple tint. The text is overlaid on the bottom half of the image.

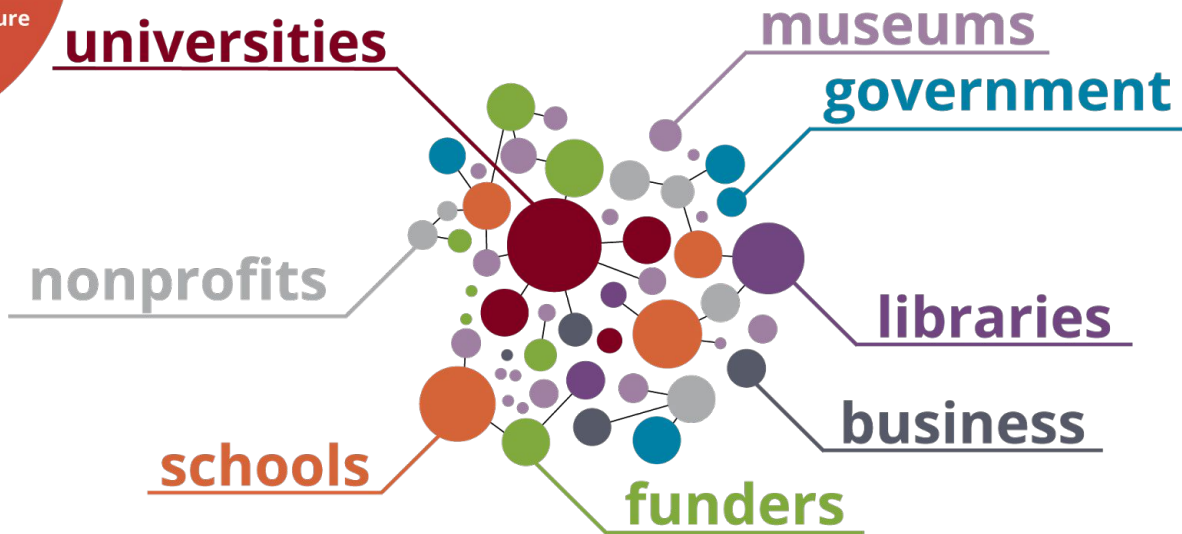

**TODAY'S STUDENTS WON'T BE TASKED
WITH BUILDING CARS, THEY'LL DESIGN
THE COMPUTERS THAT DRIVE THEM**

“I’m just not connecting with students like I used to.”

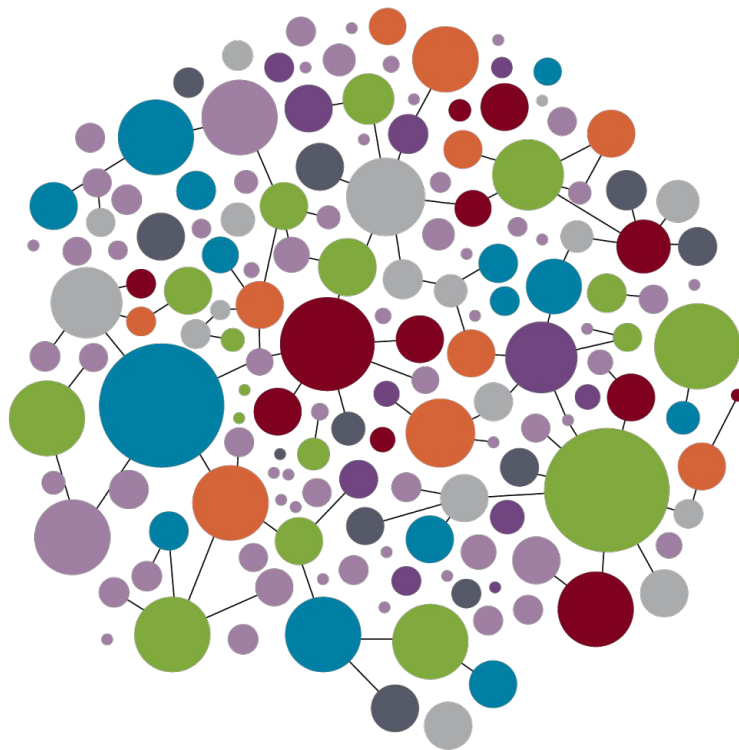

2007

A small group of educators, technologists, and community leaders start meeting over breakfasts of pancakes and coffee to talk about the future of learning

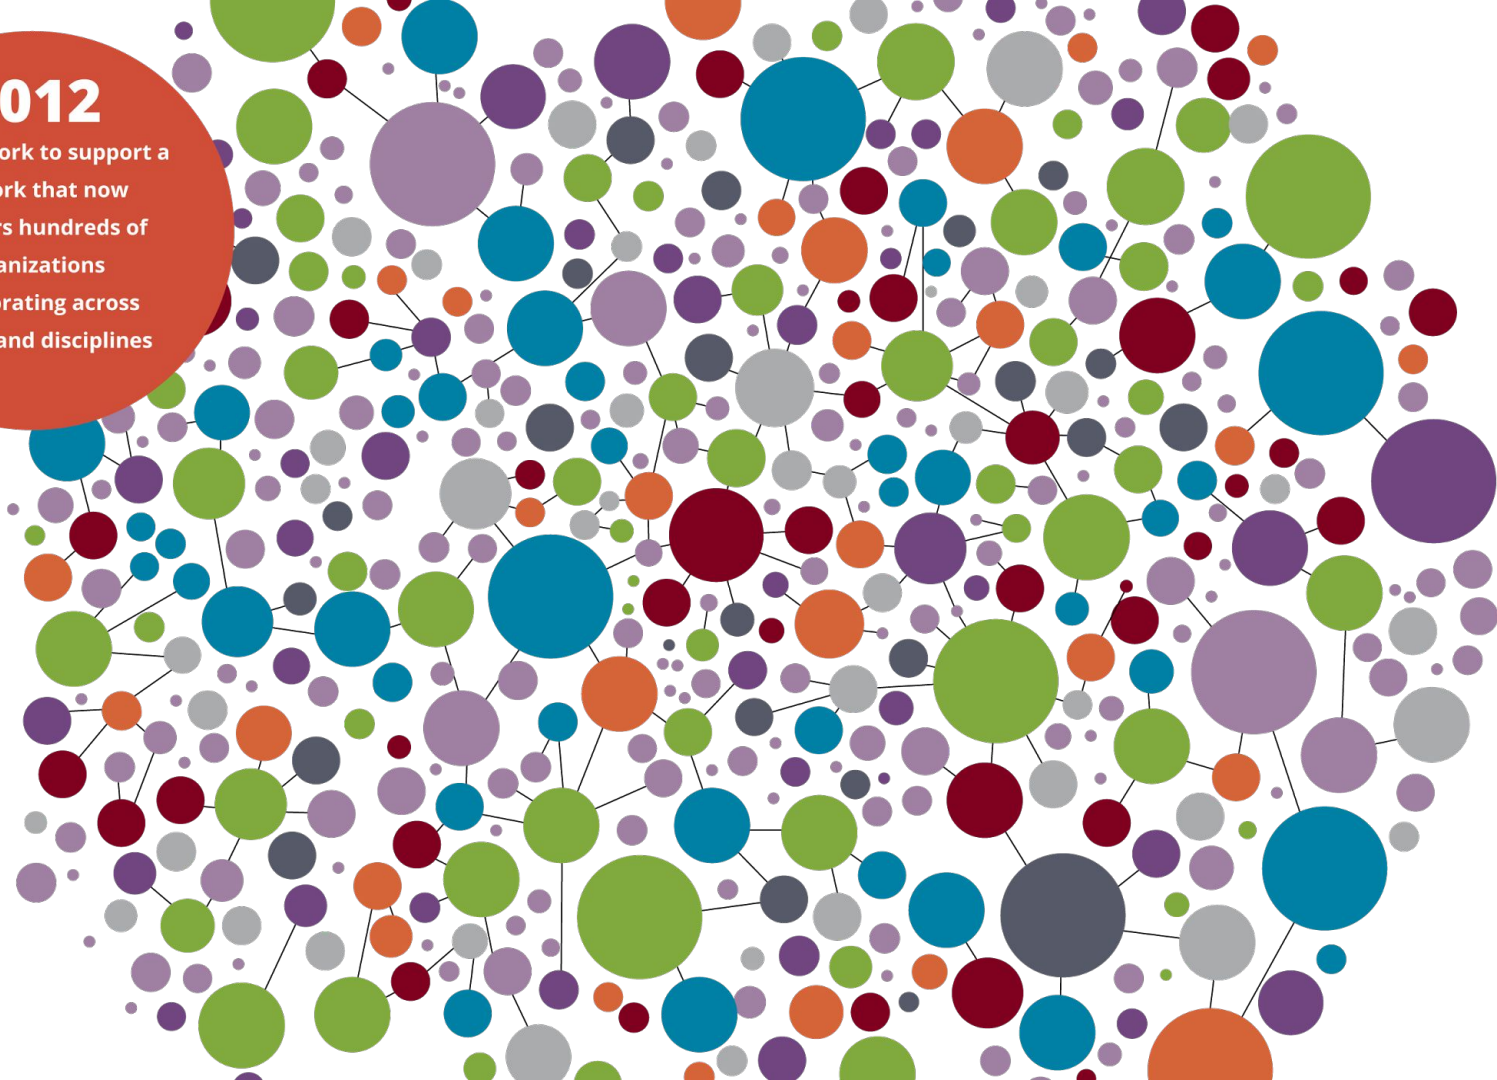

2010

Interest grows and the work expands to embrace maker learning, STEM, STEAM, and youth media experiences for all ages both in and out of school

2012

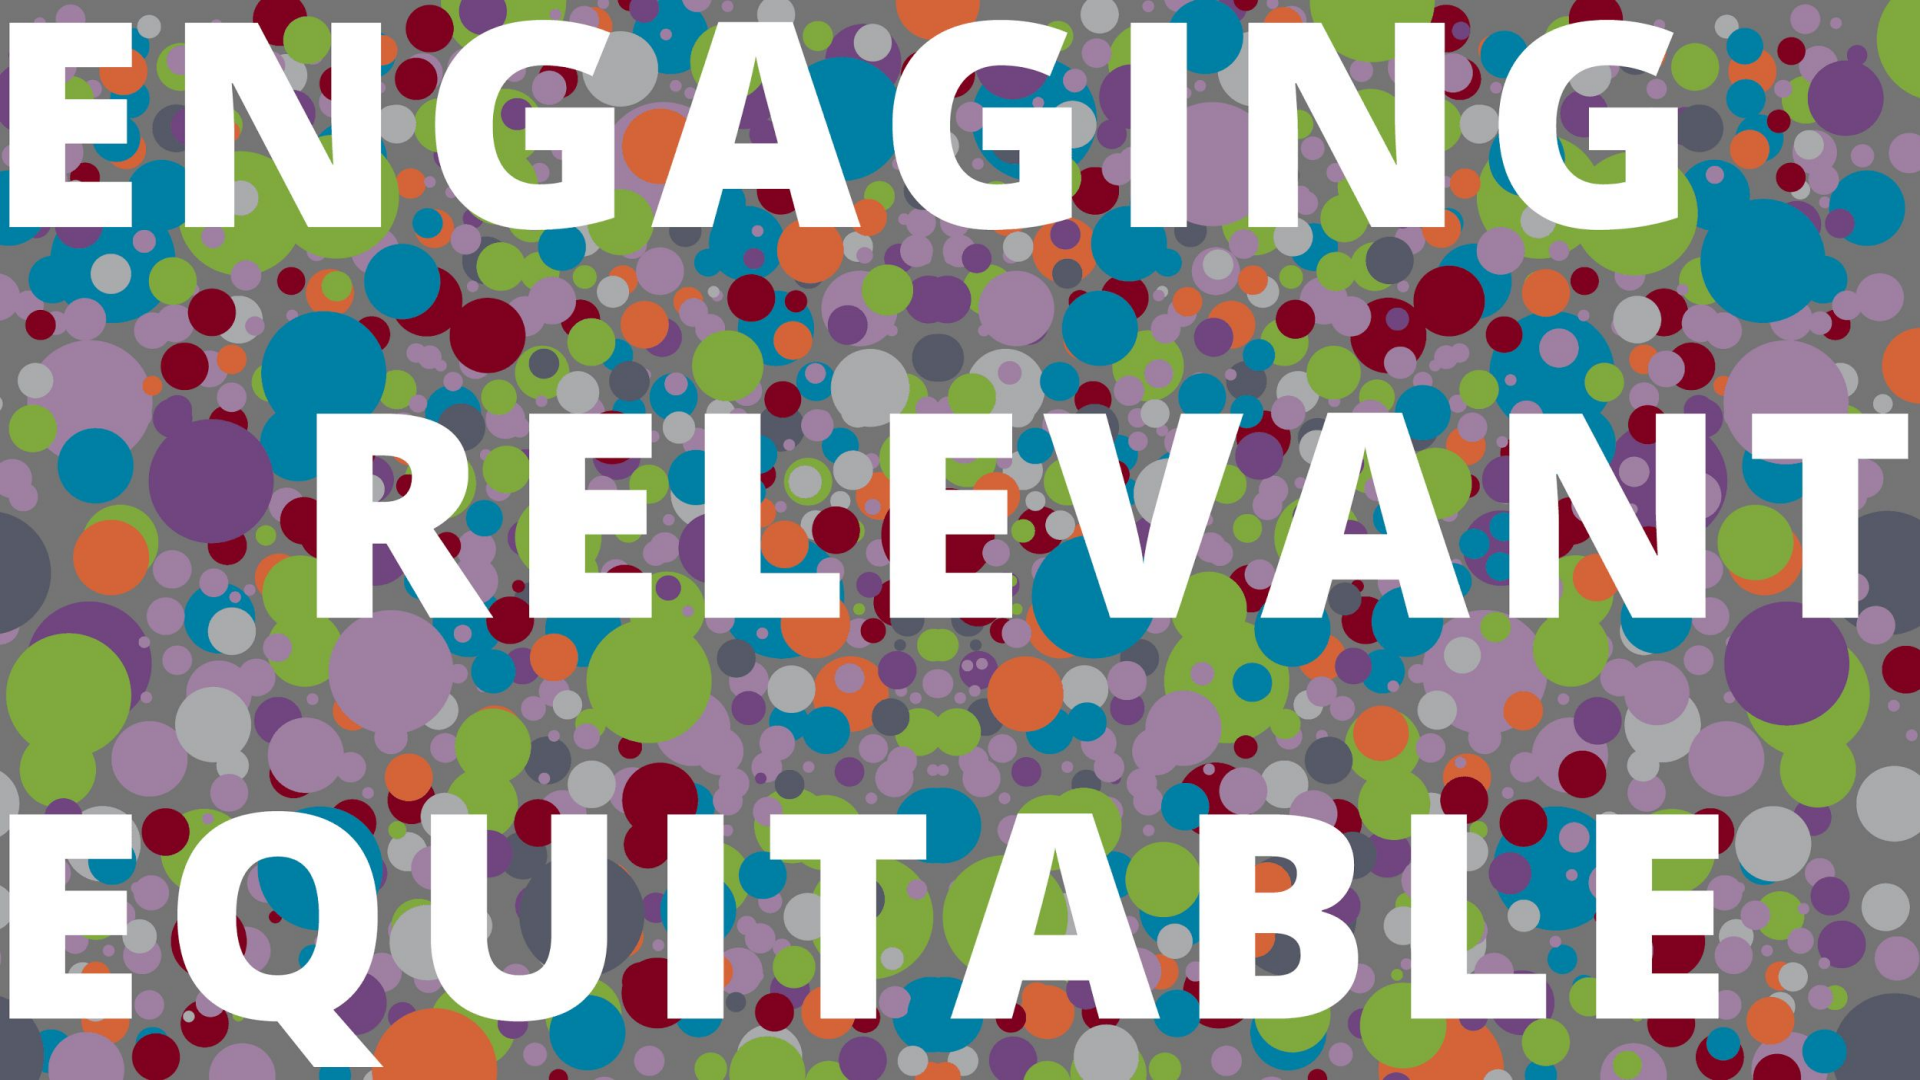

A framework to support a
network that now
numbers hundreds of
organizations
collaborating across
sectors and disciplines

2017

At the 10-year mark, the network reflects on its mission, vision, and values and collectively charts its course for the next decade

BE AUDACIOUS

A photograph of a woman and a young child in a garden. The woman, wearing sunglasses and a necklace, is leaning over and pointing at a plant. The child, wearing a striped shirt, is looking at the plant with interest. The entire image has a pinkish-red color overlay. The text "KEEP LEARNERS AT THE CENTER" is written in white, bold, uppercase letters in the upper right portion of the image.

KEEP LEARNERS AT THE CENTER
